

AES-INTELLINET – IT'S ALL ABOUT CONTROL

With AES-IntelliNet's MultiNet wireless mesh alarm communications system, you own and control your alarm communications from end to end. That's entrepreneurial. That's independence. That's the freedom you get with AES-IntelliNet.

- ✓ Zero monthly telco fees
- ✓ No single point of failure
- ✓ More reliable communications with built-in back-up
- ✓ Independent ownership and operation
- ✓ Multi-region coverage
- ✓ UL864 Edition 9, 365, 1610 listed, NFPA compliant

"I understand what it means to own and operate the AES-IntelliNet wireless alarm communications system from end to end. AES-IntelliNet allows us to control our own destiny and not have to rely on the whims of someone else's network. We're able to control our pricing and in turn, we control our future."

David J. Avritt
