

INCREASE YOUR RMR WITH AES-INTELLINET

With AES-IntelliNet's MultiNet wireless long-range mesh alarm communications system, you will save your company thousands in installation costs, in addition this stand alone system does not rely on a third party so you will save monthly fees on each subscriber.

- ✓ Zero monthly telco fees
- ✓ No single point of failure
- ✓ More reliable communications with built-in back-up
- ✓ Independent ownership and operation...and control
- ✓ Multi-region coverage
- ✓ UL864 Edition 9, 365, 1610 listed, NFPA compliant

"Each installation, for each receiver system saved our company \$40-50 thousand dollars in installation costs and we also save \$50-90 per month, per subscriber unit because there are no third party fees."

*Rich Sitariski
